[wayne@onthegroundgroup.com](mailto:wayne@onthegroundgroup.com)

**BRYAN HUGHES**

*District Manager*

**EXPORT DEVELOPMENT CANADA**

Bryan graduated from University of British Columbia with an Applied Science Degree (Mechanical Engineering) in 1977 and worked for ten years as an engineer and project engineer for leading engineering consulting firms in Vancouver. His work experience has included being an entrepreneur and marketing both services and products to buyers in South Asia, Latin America and Europe.

In 1994 Bryan, representing B.C.Trade, played a key and constructive role to catalyze the formation of NorthStar Trade Finance – a British Columbia success story created by Scott Shepherd in collaboration with Canadian Banks and EDC. In the past sixteen years NorthStar has financed more that \$500 Million dollars of Canadian goods manufactured in Canada and purchased by foreign buyers. Northstar's headquarters are located in Vancouver.

Bryan followed this success with a four year interchange assignment as a Trade Commissioner – South Asia, with DFAIT at International Trade Centre Vancouver. In 1999 Bryan joined EDC and was promoted in 2008 to District Manager Commercial Markets Team– British Columbia.

## MARTIN JONES

*Vice President, Corporate Affairs*

### **BANRO CORPORATION**

and *Chairman BANRO FOUNDATION*

Martin Jones is Chairman of Banro Corporation's award-winning Banro Foundation, which invests strategically in education, health care and social infrastructure development in the eastern Democratic Republic of the Congo.

Martin studied Political Studies and History at Queen's University in Kingston, Ontario and began his career as a newspaper reporter and then as an executive assistant to a Member of Parliament. He spent five years with the public affairs department of Imperial Oil before becoming a consultant, where his clients over a period of 25 years included several of Canada's leading corporations.

He joined Banro in September 2004, as the Company was planning to begin exploration in the DR Congo. At the time, Banro employed 9 people. Today, it has over 250 full-time employees and indirectly provides jobs for another 2000 Congolese nationals. The Company is building its first gold mine at its flagship Twangiza project.

[julie.mccashin@internationalsos.com](mailto:julie.mccashin@internationalsos.com)

## KEVIN MCCORT

*President and Chief Executive Officer*

### **CARE CANADA**

Kevin has spent his life fighting global poverty. He has worked with people affected by drought and conflict in Somalia, with refugees in Kenya, people in Bosnia and Croatia caught in the civil war, and survivors of the Rwandan genocide. Kevin was one of the first humanitarian workers in Goma, DRC, when 1 million refugees flooded across the border. From 1997 to 2000 Kevin served as CARE Country Director in Zambia, developing and managing agriculture, education, health, and micro-enterprise programs. Kevin has earned his Executive MBA from the Queen's University School of Business.

[kevin.mccort@care.ca](mailto:kevin.mccort@care.ca)

## KEVIN O'CALLAGHAN

*Partner*

### **FASKEN MARTINEAU LLP**

Kevin O'Callaghan provides strategic advice on aboriginal, regulatory, environmental and other corporate social responsibility ('CSR') issues. While his extensive experience is focused throughout western and northern Canada, he also advises a number of clients around the world. If unavoidable conflicts arise during project development, Kevin appears before courts, tribunals and arbitration panels to assist resource companies on challenges to licenses by local communities, NGOs and indigenous communities. Kevin appeared as counsel at the Supreme Court of Canada in the leading case on aboriginal consultation (Haida Nation v. B.C.) and a case regarding aboriginal rights and human rights (R. v. Kapp).

[kocallaghan@fasken.com](mailto:kocallaghan@fasken.com)

## MONICA OSPINA

*Director*

### **O TRADE AND MARKET ACCESS**

For over ten years, Monica has worked on defining new approaches to managing community relations and securing operational productivity in the extractive industry supply chain. Monica holds a Master's Degree in Diplomatic Studies from the University of Westminster, and has completed programs in International Business Strategy and Sustainable Management at the London School of Economics and Harvard University.

Monica is the author of a market access and capacity building model – the Local Community Procurement Program (LCPP) – and is currently developing the fourth guideline for the PDAC's e3 Plus: A Framework for Responsible Exploration, entitled "Sustainable Supply Chain Practices."

[monica@omarketaccess.com](mailto:monica@omarketaccess.com)

## JOE RINGWALD

*Vice President Mining*

### SELWYN RESOURCES LTD.

Joe Ringwald joined Selwyn Resources in January 2011. Joe is a mining and mineral process engineer with over 25 years mining and construction experience. Past employment included senior mining engineer with Placer Dome, Vice President Project Development with Crew Gold, Technical Director Mining with AMEC Americas, Vice President Sustainable Development with Tournigan Energy and, most recently, Vice President Operations and Project Development with Brett Resources. His career has taken him into numerous countries in Europe, Africa, the Middle East, North America, Latin America and Asia to work on underground and surface projects of various commodities including base and precious metals, uranium, coal, industrial minerals and diamonds. Most of his career has been focused on mine development, Corporate Social Responsibility and Sustainable Development.

[jringwald@selwynresources.com](mailto:jringwald@selwynresources.com)

## BRUCE SHAPIRO

*President*

### CANADA-SOUTHERN AFRICA CHAMBER OF BUSINESS and

*President*

### MINEAFRICA INC.

In addition to On the Ground Group and MineAfrica Bruce is also the president of A.P.O.C. Inc., a business development company that provides management and executive services to the Canada-Southern Africa Chamber of Business, of which he is the President.

Prior to immigrating to Canada in 1977 and until 1991 Bruce held various senior executive positions in retail, real estate and finance industries and owned a consulting practice in trade and investment finance in South Africa. He has taught finance and marketing at various universities and colleges both in Canada and South Africa and is a frequent speaker at international conferences. Bruce is a member of both the Prospectors and Developers Association of Canada and the Canadian Institute of Mining.

[bruce@mineafrica.com](mailto:bruce@mineafrica.com)

## WARREN TE BRUGGE

*President and Chief Executive Officer*

### MANZIMVULA VENTURES, INC.

With more than 30 years of experience in 40 countries, Warren Te Brugge is a seasoned and successful business executive. He is engaged by companies to navigate complex process of change, growth and international positioning.

Warren's experience spans most business disciplines—including finance, IT, strategic planning, training and development, project management and marketing & communications.

From low tech to high tech, and from general management to specific assignments in marketing, sales and finance, the common thread in Warren's experience and approach embraces both the functional and the human sides of business.

By framing consulting projects as organizational community development projects, Warren has helped organizations drive significant revenue growth, international expansions, and breakthrough performance.
