## 23rd Annual African Mining Breakfast and 20th Annual Investing in African Mining Seminar

### The biggest African Mining Event in North America just got bigger: In-person and virtually

Our 23<sup>rd</sup> Annual African Mining Breakfast and 20<sup>th</sup> Annual Investing in African Mining Seminar during PDAC 2022 provides you with unparalleled in-person networking opportunities AND global online exposure.

Our highly successful virtual format introduced in 2021, coupled with our traditional sellout, in-person breakfast and seminar at the Sheraton Hotel in Toronto, provides you with your biggest platform EVER to get your message out to a global, senior level African focused audience.

Our in-person breakfast/seminar takes place on Tuesday June 14 at the Sheraton Centre Toronto Hotel and features an opening address by an African Mining Minister and a keynote address by a senior mining company CEO active in Africa. This is followed by a networking refreshment break, and then concurrent country or regional spotlights and topically themed seminar rooms.

The virtual component takes place over three half-days from June 21 to 23. It features a broadcast of the June 14 in-person proceedings including the opening and keynote breakfast addresses and **ALL** presentations from the seminar rooms. In addition, the 3-day virtual event will feature new opening and keynote addresses to kick off each day.

### Two Events in One

All Partner, Sponsor and Presenter packages include presentations at both the in-person AND the virtual sessions. In addition, the entire program will be available online post-event for on-demand viewing, giving you ongoing global exposure. Actually, that makes **three events in one!**

### How it Works

At the in-person event on June 14 you have the option of presenting live or submitting a pre-recorded presentation which we will show in your specific seminar room. If you choose the pre-recorded option you can still be in the room for networking purposes and Q&A. If you present live we will still require your presentation in a pre-recorded format which will then be broadcast in your specific spotlight session during the virtual event from June 21-23.

### Not Attending PDAC? Not a Problem

If you are not planning on attending PDAC 2022 but still wish to get most of the benefits of attending you don't have to worry. By participating in our virtual event, your pre-recorded presentation will be shown in your designated spotlight room at our in-person event on June 14. You get double the exposure without having to travel!

To summarize, whether you attend PDAC and our breakfast/seminar in Toronto on June 14 in-person or simply participate in our 3-day virtual event from June 21-23 your presentation will be shown during both events, giving you unprecedented, cost-effective exposure.

### **Participation Levels Investment Required**

- Partner - \$20,000
- Presenting Sponsor - \$10,000
- Non-Presenting Sponsor - \$7,500
- Presenter - \$6,000
- Custom Booth Packages at the PDAC Trade Show:
  - Full Booth - \$25,000
  - Half Booth - \$15,000
  - Quarter Booth - \$10,000

### **Summary of Benefits**

1. The opportunity to promote your country, company, African project, products or services to a senior level audience of 2,000+ international mining and financial executives, government representatives, service providers and media with a specific interest in mining in Africa.
2. 15-minute presentation at both the in-person and virtual sessions, as well as post-event exposure through on-demand viewing. You get triple the exposure.
3. Ongoing marketing exposure before, during and after the event, through our extensive marketing program including email campaigns to our combined 17,000 contact databases of both MineAfrica and The Canada-Africa Chamber of Business, as well as those of our media and strategic partners (50,000+), and web-based marketing campaigns through our combined websites which attract 10,000 visits per month.
4. The entire event including your recorded presentation as well as your corporate and presenter bios, logo, and advertisement (for sponsors) will be emailed to all in-person and virtual delegates as well as our entire 17,000 combined database for continued exposure after the event. The entire event will also be available for on-demand viewing post-event. To see our 2021 online recording, program and indexed presentations go here <https://watch.lastlink.us/w/mineafricamarch2021>.
5. In-person networking opportunities – Finally! This includes reserved seating at a VIP table.
6. Cost-effective. If you choose to participate virtually rather than in-person you save on travel costs in coming to Toronto. If you choose to participate in-person as in the past then you are doubling your reach with the added bonus of your presentation being broadcast during the virtual component, as well as on-demand viewing post-event.

7. Dedicated Spotlight on Your Country or Region (e.g. – West, Central, Southern, North, East Africa).
8. Flexible and Efficient. Pre-recording your presentation makes it easier to participate and ensures a smooth and vetted presentation.
9. A global audience. Our combined in-person and virtual format expands the number of participants, so you get your message out to 2,000+ senior-level participants, all with an interest in mining in Africa.
10. Organization and Speaker profiles and logo in our Program/Africa at PDAC 2022 Mining Resource Directory which is emailed to all participants and our combined databases of 18,000. To see the 2021 Directory, go here <http://www.mineafrica.com/documents/Mar%209-11%202021%20program%20FULL.pdf>.
11. Media mention and interviews wherever possible.
12. Complimentary attendance for 4 participants at the in-person breakfast/seminar and virtual event.

### **Additional Benefits for Partners and Sponsors**

13. Opportunity for opening or keynote address during virtual session, depending on package.
14. Additional 15-minute presentation (so two in total) at both the in-person and virtual sessions, as well as post-event through on-demand viewing.
15. Full page or half page advertisement in our Program/Africa at PDAC 2022 Mining Resource Directory depending on level. See sample ads in the Appendix and 2021 Program and Directory at <http://www.mineafrica.com/documents/Mar%209-11%202021%20program%20FULL.pdf>.
16. Delegates list with full contact details including email addresses of all breakfast/seminar and online participants (approximately 2,000), subject to Canadian privacy laws.
17. Enhanced marketing exposure as a Partner or Sponsor in our extensive marketing campaigns as well as during the virtual event, including your logo on our virtual background. See the 2021 virtual background in the Appendix at the end of this document.
18. Opportunity for introductory remarks or moderating a Spotlight session (depending on level).
19. Reserved seating (for one or two depending on package) at a VIP table at in-person breakfast.
20. Signage and corporate popup banner (supplied by you) in the networking area at the in-person breakfast/seminar at the Sheraton Hotel.
21. Complimentary attendance for 4, 6 or 8 (depending on level) additional participants at the in-person event.

22. Corporate brochure at each participant seat at the in-person breakfast/seminar.

23. Corporate brochure at information table in the networking area.

24. Verbal recognition throughout the in-person and virtual events.

## **Booth Space Opportunity at the in-person PDAC Trade Show (June 13-15, 2022)**

In addition to the Partner/Sponsor/Presenter opportunities at the breakfast/seminar outlined above we are pleased to again be offering you the opportunity to join us in the MineAfrica pavilion at the sold-out in-person PDAC trade show running from June 13-15, 2022.

This provides you with a number of benefits including enhanced networking opportunities, a physical presence at the trade show and ongoing marketing exposure. Participating is cost-effective and easy as we take care of all the logistics, booth design, setup, exhibitor registrations, etc. We provide you with your customized booth graphics printed directly onto the booth structure giving you a professional image and saving you from having to ship, or carry, and setup pop displays, posters, etc. Packages include space rental, stand construction, all furnishings, electrical, customized graphics printed directly on the booth (graphic file supplied by you), daily cleaning, storage and booth exhibitor registration.

We offer three booth packages on a first-come, first-served basis; a full booth, a half booth and a quarter booth. Each of these options includes a presentation and/or sponsorship in the in-person African Mining Breakfast/Seminar (June 14) and Virtual Seminar (June 21-23).

### **Specific benefits to participating in the MineAfrica Pavillion**

1. With multiple partners there are enhanced networking and relationship building opportunities among fellow exhibitors. Also, we have been in the trade show for years and are known as the "African Pavillion".
2. If you are participating in a group or on your own we can cover the booth for you while you work the trade show floor or attend technical presentations.
3. We are onsite and with our excellent contacts among the visiting trade show traffic we can make personal introductions saving you time and ensuring you make valuable connections.
4. It is cost-effective and easy to participate as we take care of all the logistics. You simply show up.

The investment required for a full booth package (booth and presentation) is \$25,000, a half booth package (booth and presentation) is \$15,000 and a quarter booth (booth and presentation) is \$10,000.

Each package includes your trade show exhibitor registrations and one full delegate registration for the PDAC convention as well as a presentation at our Investing in African Mining seminar and participation in The Canada-Africa Chamber of Business African Mining Breakfast, with one person at a VIP table and the others in general seating.

"...It has been a great 3 days with a solid agenda and excellent speakers."

"Congrats on organizing this event despite everything. Lot of great insights on African mining over the last 3 days."

"...Thank you for the opportunity to present at MineAfrica's Virtual Breakfast event this year! We have received some great feedback from the audience, and we were able to make some quality connections from the virtual networking! Also, we were really impressed with the overall Agenda and the quality of the presentations we attended. Please do keep us in mind when it comes time to start planning the event for next year."

"...being part of MineAfrica was a truly positive experience for our company, your advice and expertise and also introductions to various contacts was appreciated tenfold....You and your team did an outstanding job."

"Having worked on 5 continents in an array of business sectors, I have never attended such a well-attended breakfast session in terms of level of individual, cross section of organizations servicing one sector and variety of countries not usually present at such events. The presentations were short and sharp, yet informative. Overall, nothing less than a sterling event! I have no doubt your expansion strategy will be MOST successful. Well done gents!!"

"It was a superbly focussed opportunity to spend a day with colleagues and clients who have business interests in Africa - something that would've taken me months to achieve back home."

"Just a quick note to thank you for another fantastic week at the PDAC! This year's event was a major success for us, and I am delighted with the progress we've made in a year's time. Your assistance with the booth and our continued relationship with the Mine Africa seminars are key contributors and I can assure you of our appreciation. I'll be in contact early in the new week regarding our future discussions and the possibilities of further ties. Thank you again!!"

"The MineAfrica Breakfast was a showstopper!! I thoroughly enjoyed the event and look forward to building a long-term relationship with you!"

"Events like MineAfrica provide a magnet and a filter - to attract the right people to make our projects fly, and to allow us to focus on those right people. They whittle the forest that is PDAC down to just the valuable core."
